#### **Basic Marksmanship Safety Activity**

*Friday - Sunday, October 20 - 22, Aurora*

Cadets Humble, Jellison, McLachlan, and Reed, together with Lt Col Boyd and SM Boyd, participated in Lewis County Squadron's Basic Marksmanship Safety Activity last weekend. As reported by Lewis County's Maj Whalen on [Facebook](#):

Basic Marksmanship Activity #73 is in the books! What an incredible team of Cadets and Seniors to work with. Though we had a lower number of Cadets we still put 4500 rounds down range and every cadet earned a medal or advanced in their marksmanship skills. Thank you to everyone for the safe weekend! I can hardly put into words the pride I have for the great work our team exhibited this weekend. Watch for number 74 at the end of April 2018.

### **Squadron Leadership School**

*Saturday - Sunday, October 21 - 22, Portland Air National Guard Base*

Lt Miller participated in the Squadron Leadership School (SLS) held at the Portland Air National Guard Base last weekend.

The SLS "provides CAP's adult members with a basic understanding of CAP operations at the squadron level and how those operations affect CAP's national missions. Additionally, members learn more about CAP customs, core values, and communications. Case studies, discussion, and group assignments are integral facets of the SLS." ([link](#))
