Subject: [CAP] Weekly Meeting for November 1

Aurora Cadets, Parents, Senior Members, and Guests,

Last Week

Weekly Meeting

Tuesday, October 25

Congressman Kurt Schrader and Oregon Wing Commander Colonel Bill Ray attended our meeting last week to present Cadet Captain Chuang the Amelia Earhart Award. The ceremony went very well. Colonel Ray detailed the accomplishments needed to receive the award, and the Congressman highlighted Cadet Chuang's academic, athletic, and community service achievements. C/Maj Proffitt was the Master of Ceremonies. Aurora's Color Guard, led by C/CMSgt Husted, posted and retrieved the colors to open and close the ceremony. Congratulations again to Cadet Chuang, and thank you to everyone who participated in making this a terrific event!

After the award presentation, the cadets changed to PT gear and completed this month's physical training requirements.

After PT, Major Rosenberg led a Drug Demand Reduction discussion.

StellarXplorers Practice

October 29, Wilsonville

The StellarXplorers team met for the first time at Mentor Graphics on Saturday to work through an introductory practice scenario. The scenario required the team to design a satellite orbit that maximized the time spent over a specific area, while simultaneously meeting constraints regarding maximum orbital inclination, and minimum and maximum altitudes. This competition is very interesting and is a great complement to CyberPatriot. Going forward, it's important that the team members read the online textbook "Understanding Space" made available to them through the StellarXplorers program. Major Knox will verify you have the necessary link information; contact him by this Thursday if you cannot access the online book.

CyberPatriot Practice

October 30, Wilsonville

Major Knox and Lieutenant Mann met the CyberPatriot teams at Mentor Graphics on Sunday. They continued skills building in preparation for the upcoming competitions. Major Knox has instructed the team members to read training modules 1 through 9; links to these documents were sent to the team on Oct 27.
