**Subject:** [CAP] Weekly Meeting for June 6

Aurora Cadets, Parents, Senior Members, and Guests,

### *Last Week*

#### **Weekly Meeting**

*Tuesday, May 30, Aurora*

We had our 5th-Tuesday potluck last week, and afterwards the cadets enjoyed a capture-the-flag activity outside.

Former Aurora cadet Zach Farner stopped by for a visit; he is currently on Summer break from his studies at Embry-Riddle Aeronautical University in Florida.

#### **Orientation Ride Attempt and Flight Simulator**

*Saturday, June 3, Aurora*

Aurora pilots Maj Koon and Lt Taylor attempted to fly Orientation Rides on Saturday, but ended up having to scrub the flights due to unacceptable weather conditions. While waiting, several cadets had an opportunity to fly a flight simulator in Willamette Aviation's [Flight Lab](#), with Willamette's flight instructor Robert providing step-by-step guidance to the cadets.

**Orientation-Rides**

*Sunday, June 4, Aurora*

Lt Taylor, together with Cadets Jellison and L Van Sickle, took advantage of improved weather on Sunday to fly an O-Ride to Corvallis. However, when preparing to leave Corvallis, the engine run up test showed an issue that required grounding the aircraft for maintenance. Maj Ireson from Salem Squadron picked up our crew and flew them back to Aurora.
